East Valley Medical College

Nursing Assistant Program

Certified Nursing Assistants/Licensed Nursing Assistant are truly special people who genuinely care for others and take great pride in their work, making a valuable contribution to a patient's comfort and safety when they are at their most vulnerable. With their direct interaction to patients, CNAs are considered an essential link between the patient and the nurse.

CNA/LNA Duties Include, But Are Not Limited to the Following:

- Ensuring the patient is comfortable and safe
- Providing help with physical and oral hygiene
- Monitoring vital signs and observing patient behavior
- Promoting patient safety and environmental cleanliness
- Assisting the patient in daily activities such as feeding, bathing, and dressing

- **Class Schedule: M-TH 7:30 AM-2:00 PM**
- **Length of Program: 4 Weeks (120 hours)**
- **Financial Assistance Available to Students Who Qualify**
